IMPORTANT NOTICE

Please read this notice carefully as your property may be destroyed.

Pursuant to Title 23 Pa. C.S.A. § 6108, all firearms and/or weapons listed on the attached Firearms Confiscation Form/Property Receipt will be held by the Sheriff of Allegheny County due to a Protection From Abuse Order (PFA) issued against you. These firearms and/or weapons will be held for safekeeping until the expiration of the PFA or until the Sheriff receives an Order of Court authorizing their return.

You must retrieve your firearms from the Sheriff within one (1) year after the PFA order's expiration. After the one (1) year has passed, the Sheriff will treat these weapons as abandoned and may seek an Order of Court authorizing their disposal/destruction without further notice to you.

In order to retrieve your property, you must contact the Allegheny County Sheriff's Office and an appointment will be scheduled for the return of your property. The PFA order must be expired and all court action related to the PFA has been vacated before a Sheriff's Evidence Custodian can begin to process the return of your property.

It is your responsibility to retrieve your firearms and/or weapons after the PFA expires or they will be treated as abandoned and will be scheduled for disposal/destruction.

Additionally, understand that it is your responsibility to keep the Allegheny County Sheriff's Office informed of your current address and contact information for any future correspondence regarding the status of the seized weapons. Any questions regarding the status of the seized weapon(s) or updated contact information shall be directed to Deputy Joseph Cirigliano at 412-350-5187.
