PITTSBURGH MAN ARRESTED ON MULTIPLE BENCH WARRANTS WOMAN CHARGED WITH HINDERING APPREHENSION

Pittsburgh PA ---- Sheriff Kevin M. Kraus announced today that a Pittsburgh man with multiple bench warrants has been taken into custody and the mother of his child has been charged with hindering his apprehension.

24-year-old Marquise Gibson has been a fugitive since December 2024 after three different bench warrants were issued for probation violations on cases involving a number of charges including aggravated assault, receiving stolen property and firearms violations.

Detectives in our office developed information this month that Gibson was staying with the mother of his child at a residence along Maple Avenue in Turtle Creek. Detectives first checked the residence two weeks ago and were told by 22-year-old Jamara Hall that Gibson was not present. Hall was told during that visit that she was to have no contact with Gibson and that he was no longer permitted inside the residence.

Detectives went to the residence again shortly after 8:00am this morning and after announcing themselves, received no response for several minutes. During this time, detectives could hear people inside the residence and saw movement through a second-floor window and through the window on the front door. Detectives made the decision to breach the front door at which point Gibson was arrested without incident. Hall was located on the second floor of the residence and based on the previous visit, she was taken into custody on a charge of hindering apprehension.

Following the arrests, both Gibson and Hall were transported to the Allegheny County Jail.
