ETNA MAN WITH SEVEN OUTSTANDING WARRANTS TAKEN INTO CUSTODY

Pittsburgh PA ---- Sheriff Kevin M. Kraus announced today that an Etna man with seven outstanding warrants has been taken into custody.

31-year-old Robert Gizler has been a fugitive since February of this year when six bench warrants were issued for probation violations on a number of cases involving theft and receiving stolen property. Additionally, Gizler has an active warrant issued by the Allegheny Valley Police Department charging him with theft and burglary involving a house in Springdale in February.

After checking multiple addresses over several weeks, detectives from our office developed information earlier today that Gizler was inside of a residence along Cherry Street in Etna. Detectives arrived at the residence and surrounded it before confirming with the owner that Gizler was inside. Detectives then entered the residence, took Gizler into custody without incident and transported him to the Allegheny County Jail.
